The Broomfield Genealogy Society regular meeting is every 3rd Monday of the month at 6:30 PM. There are no meetings in December or January. February's meeting varies due to Presidents Day. Occasionally a workshop is scheduled before the regular meeting on a special subject of interest.

Meetings are held via ZOOM until it is deemed safe for group gatherings

Although the Society name says "Broomfield," we have members from several of the surrounding suburbs and Boulder. All are welcome and we encourage guests from anywhere to come to one or more meetings to see if you might be interested in joining

The Broomfield Genealogy Society was organized in April, 2000. Our purpose then and now is to:

Promote interest in genealogy.

- Educate our members and the interested public in proven methods of genealogy research.
- Encourage and instruct members to use careful documentation for proof of research results, and to use and maintain high quality genealogical standards.
- At member meetings: have interesting and knowledgeable speakers, and to encourage members to assist each other's research.
- Locate, preserve, and index public and private genealogical records, especially those in Broomfield, and to make those records available to the general public.

We welcome guests at all our meetings!

To receive a Zoom link to a meeting, send a request to our email at least 24 hours prior to the meeting.
